Your Tulikivi Authorized Reseller

## 18 Reasons to Get a Tulikivi

Please consider a Tulikivi when you will want to...

Wake up in a warm house

Come back to a warm house in the evening

Rub your back against warm stones

Warm your feet without burning your socks

Let the kids hug your heater

Quit tending a fire all day

Extend the life of your woodpile

Grow your own fuel

Save your air shed

Gather your friends for wood-fired pizza

Slow cook without electricity

Dry apples without a dehydrator

Watch the real fire channel

Take questions about radiant heat

Locate Northern Karelia on the map

Explain the carbon cycle to your kids

Translate Fire Stone in Finnish

Look forward to the winter

Tulikivi is introducing the American Line – a short selection of models popular in North America, offered at reduced prices. Tulikivi also has a new Customer Service for North America operating 9-4 EST Monday to Friday.
